**Charmecampings („charming campings“)** are selected ANWB campsites. They stand out when it comes to location, setting and hospitality. With their spacious, green pitches on idyllic spots, near attractive towns or along calmly running streams, every single one of them is a perfect holiday spot.

**Charmecampings** are not too big and not too small: the number of pitches varies from 25 to around 200. And they offer the managers' personal attention, who consider hospitality of paramount importance. The bookable campsites in this special are also presented as part of the **theme charmecampings on anwbcamping.nl**
